OCEAN PARK XL™

ENDURING SPLENDOR

Ocean Park XL's™ extra thick panels are 43% thicker than conventional panels and deliver long lasting performance. Together with its low gloss finish and realistic wood-grain texture, Ocean Park XL™ provides the natural look of painted wood with only minimal maintenance. Deep, realistic shadow lines provide depth and dimension for exceptional beauty.

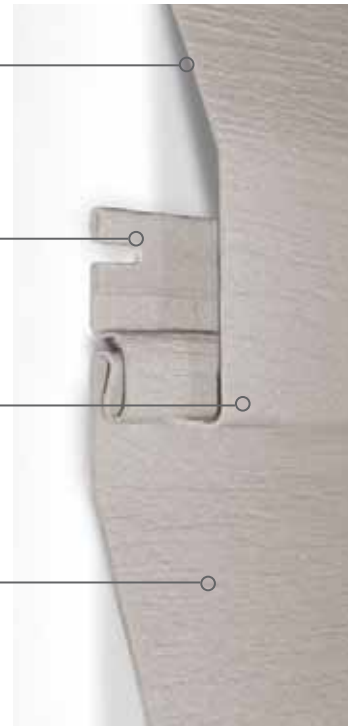

Ocean Park XL's™ large selection of contemporary colors and specially designed accessories give your home a distinctive look all its own.

Superior thickness for exceptional strength and durability.

Double Thick Cyclone System™ Nail Hem provides extra rigidity and wind load resistance.

Longer 16'8" panels reduce the seams on your home by up to 33%.

Duratron™ Vinyl Formula for long term weatherability.
